# Behavioral Health Services

## Mission

Addressing disparities in behavioral health services by providing culturally and linguistically appropriate mental health resources and services to Deaf, DeafBlind, and Hard of Hearing individuals in Southeastern Michigan.

## Our Resources and Services Include

- Individual, Couples, and Family therapy
- Group counseling for substance abuse problems or behavioral health problems
- Substance abuse services for those involved in the criminal justice system

## Values

- *Accessible:* Provide reasonable accommodations to reinforce a client's participation during the therapy process
- *Awareness:* Seek to raise awareness about the importance of mental health in the Deaf, DeafBlind, and Hard of Hearing communities
- *Culturally Competent:* Respect the unique culture of the Deaf, DeafBlind, and Hard of Hearing communities
- *Person Centered:* Honor the personal preferences and abilities of the consumer via Person Centered Planning
- *Confidentiality:* Clients have the right to privacy and confidentiality as well as security of their personal information
