Health, Education, Advocacy and Linkages (H.E.A.L.)

A support program for Deaf, DeafBlind and Hard of Hearing people, physicians, nurses and health care providers.

Deaf H.E.A.L. is designed to help Deaf, DeafBlind and Hard of Hearing people obtain full access to health care.

Our case managers are here to help!

We can help with:

- Attending Doctor's appointments
- Organizing and explaining medications
- Arranging transportation if needed
- Coordinate medical appointments
- Help with forms

Deaf H.E.A.L. provides knowledgeable and trained staff to help Deaf, DeafBlind and Hard of Hearing people with comprehensive case management services. If you are interested in enrolling in our program, please give us a call or email us at:
